Mr. McGuire recommended to engage Joe DeReuil Associates, the structural

Ms. Bills noted that the CMPA is not responsible for any of the costs associated with the NMTC unwind transaction or the forgiveness of the loans.

After some discussion, Mr. Taylor made a motion that the CMPA Board of Trustees authorize Chairman Reeves to execute all documents and take all action necessary associated with unwinding the NMTC transaction, included but not limited to executing an Interlocal Agreement with the City and CRA to terminate the Project Support Payments.
