

PRESERVATION OF BRICK STREETS PETITION FORM

OFFICE OF THE MAYOR

The purposes of this form is to provide a means by which residents may petition the City of Pensacola to install an upgraded street brick surface in place of asphalt or to restore an existing asphalt covered brick street. This form is to be utilized in conjunction with the City of Pensacola's Preservation of Brick Streets Policy.

As outlined in the Brick Streets Policy, the additional costs of upgrading from an asphalt or partial asphalt street to a brick street will be assessed to the property owners with front footage on the proposed street. The net cost, as determined by the City, will be assessed to each property owner based on the Brick Streets Policy. Specific costs will be determined upon final review of this petition.

I understand, by my signature below, that the purpose of this petition is to demonstrate my support of the installation/restoration of brick on the proposed above street. I also understand that the cost associated with this upgrade will be borne by myself and other property owners on the proposed street. Furthermore, I also understand that by signing this petition, I am authorizing the City of Pensacola to proceed with the estimation of the construction cost and individual assessments and I am in no way obligated to accept this assessment at this time.
