## Resident Advisory Council Minutes

February 19, 2014

The first meeting of the Resident Advisory Council for Fiscal Year 2014/2015 was held in the community room of the Pines at Warrington apartment complex. In attendance were: Karen Thompson and Marsha Bazinet from the City of Pensacola Housing Office, Sherry Curry and Tiffany Davis, Pinnacle Management representatives, and Horace Blackwell, Jean Aponte, Anthony Odom, Phillip Crenshaw, Tracey Lanier, and Ashley Robinson, Housing Choice Voucher (HCV) Program participants.

Karen Thompson opened the meeting by welcoming the attendees. Marsha Bazinet explained the purpose of the meeting and the Annual Plan, inviting all attendees to voice their opinions and to send any comments or suggestions to the Housing Office. They were also invited to attend the Public Hearing scheduled for April 24, 2014 in the Housing Office conference room.

Topics of discussion were introduced as follows:

- **Waiting List Policies and Procedures:** The procedure that has been in place for a number of years and currently is to open a dedicated phone line on two days of each month and to accept a limited number of applications. The attendees were asked their opinion of the process and what they thought of changing to placing the applications on-line. Most thought a hybrid method would be a good alternative because many of the applicants will not have computer access, although they did acknowledge that allowing family and friends to place the applications would be less of a hindrance.
- **Criminal Policies:** It was determined by the attendees that the current five years from the date of conviction, or three felony arrests within five years was sufficient for screening and participation purposes.
- **Administrative Plan:** The proposed changes to the Administrative Plan were discussed in some detail.
  - **1. Family Composition:** This discussion centered around allowing unmarried couples familial status on the program. Horace Blackwell, HCV participant, asked about moving his girlfriend in as a live-in aide. He was advised to contact his counselor, but the person moving in would be screened and live-in aide status is different from household member status. Ashley Robinson, also a participant, asked about moving in other family members. She was cautioned that moving in too many folks would change her bedroom size and she could not overcrowd the unit. Places such as The Pines have a maximum of three bedrooms; it could cause her to move. Mr. Robinson stated he liked the idea that the Housing Office would run criminal background checks on persons added to the household.
  - **Project Based Projects:** Karen Thompson explained about the goal of partnering with an owner to obtain rentals in better neighborhoods and school districts. The attendees approved of this addition to the Administrative Plan.
  - **Using EIV to Establish Income:** Karen Thompson explained that the Housing Department now has the ability and HUD's approval to establish a household's income based on their past employment/SSI/unemployment income due to the EIV computer system, and that could take the place of having the family provide some information as a way of streamlining the recertification process.
  - **Self Certification of Assets:** This would take the place of providing banking information so long as the assets are less than \$5,000.00.

The first meeting of the Annual Plan Resident Advisory Board closed at 2:45 p.m.

## Resident Advisory Council Minutes

February 26, 2014

The second meeting of the Resident Advisory Council for Fiscal Year 2014/2015 was held in the community room of the Morris Court II apartment complex. In attendance were: Marcie Whitaker and Marsha Bazinet from the City of Pensacola Housing Office, Tasha Nixon and Sandra Andrews, Carlisle Management representatives, as well as Colleen Moorner, Sabriva Green, Shaleka Johnson, Jessica Reese, and Bruce Huff, Housing Choice Voucher (HCV) Program participants.

Marcie Whitaker opened the meeting by welcoming the attendees. Marsha Bazinet explained the purpose of the meeting and the Annual Plan, inviting all attendees to voice their opinions and to send any comments or suggestions to the Housing Office. Handouts were distributed of proposed changes to the Annual Plan. They were also invited to attend the Public Hearing scheduled for April 24, 2014 in the Housing Office conference room.

Topics of discussion were introduced follows:

- **Waiting List Policies and Procedures**: The procedure that has been in place for a number of years and currently is to open a dedicated phone line on two days of each month and to accept a limited number of applications. The attendees were asked their opinion of the process and what they thought of changing to placing the applications on-line. At Morris Court, the participants questioned why it was so hard to get through the phone line and their questions were about the number of operators answering the phone line. Marcie Whitaker explained that the Housing Office is considering taking applications via the internet, and selecting names through a lottery. She further stated the number of families pulled from the waiting list is dependent on the budget, which has been fluctuating for the past few years. Adding a computer program is also under consideration, although the access to elderly/disabled may be a problem. A hybrid may also be a good alternative because many of the applicants will not have computer access.
- **Criminal Policies**: It was agreed upon by the attendees that the current policies of the Housing Office was sufficient for screening and participation purposes.
- **Administrative Plan**: The proposed changes to the Administrative Plan were discussed as follows:
  - **1. Family Composition**: Ms. Whitaker stated that based on changes in the Federal Regulations, the Housing Office is proposing to change the definition of family as stated in our Administrative Plan. With these changes, the Housing Office is hoping to achieve more family stability and to capture the income of family members that have not previously been accounted for on the application. All household adults will have the same obligations as the head of household; accommodations will still be made for the elderly/disabled and possibly take into account generational differences. Voucher size will still be determined by the number of persons in the household; rental unit size is the family's choice.
  - **Project Based Projects**: Ms. Whitaker explained that this section is being added to the Administrative Plan to accommodate any future projects that may present itself. She explained the difference between Project Based and regular vouchers. She explained the goal of partnering with an owner to obtain rentals in better neighborhoods and school districts. The attendees approved of this addition to the Administrative Plan.

- **Using EIV to Establish Income**: Ms. Whitaker explained to the participants how the EIV system can streamline the recertification process by providing the Housing Office with past income that can be used in place of employer statements and checkstubs.
- **Self Certification of Assets**: This would take the place of providing banking information so long as the assets are less than \$5,000.00. Program participants will be able to self-declare those assets without providing written documentation.

The second meeting of the Annual Plan Resident Advisory Board closed at 2:45 p.m.
